

Let's Rebuild Old Brooklyn, One Neighbor at a Time.

All over Old Brooklyn and Brooklyn Centre, people are working together to help make a difference. From block groups and church clubs, to youth groups and neighborhood associations, people are banding together to create, inspire, and revitalize.

Want to get involved?

Over the next several months, we will be organizing teams of volunteers from Metro Health and Case Western Reserve University to paint, create, and beautify our storefronts. Tell your friends, neighbors, and business associates. Your action will help us resolve one of our toughest community challenges and provide much-needed support.

Project plans include:

- Painting murals and artwork for businesses along Pearl, State, and Broadview Roads
- Cleaning up streets and parking lots
- Assisting business owners with storefront revitalization and beautification
- Engaging students from local schools to participate and pay it forward
- Creating partnerships for in-kind donations, corporate sponsorships, and future funding opportunities
